

# Wisdom Trail District Unit "Lightning Award"

*"Thunder is good, thunder is impressive;  
but it is lightning that does the work."  
Mark Twain, 1908*

This award gives all units the opportunity to nominate that special person in your unit who goes "above and beyond" the "one hour a week" for your individual unit.

This award is limited to one (1) person for each unit, although two individuals may be nominated as a team award, such as a husband and wife. The nominee does not have to be a registered Scouter, but may be an active parent volunteer in the unit who is deserving of the recognition. The nomination may be made by the unit committee or by an individual nominator, but only one award will be given per unit.

The award will be presented at the annual District Recognition Banquet in January. If the recipient is not in attendance, the award will be given to a representative of the unit to present to the nominee at the unit level.

Please submit the nomination form no later than the December Roundtable to a member of the District Commissioners Staff or the District Committee.
